## **The 1993 Vision of Christ Church**

It is a vision of a place where everyone is welcomed in an atmosphere of love and acceptance, a place where forgiveness abounds and encouragement thrives.

It is a vision of a place where the Good News of Jesus Christ can be shared with the residents of our community and Northern Virginia.

It is a vision of a place where thousands of people are welcomed into the life, ministry and mission of the church. The church will be a family that laughs and cries together and lives in harmony with one another.

It is the vision of a place where every believer will be nurtured and disciplined to spiritual maturity through Bible Study, retreats, seminars and small groups.

It is a vision of a place where every believer will be equipped to use the talents God has given him/her for significant ministry at home, work or play.

It is a vision of a place that will support or send at least one missionary to every continent around the world, and a place that will send thousands of our members, adult and youth as short-term missionaries both in the United States and around the world. A place from where we will start another church somewhere in Northern Virginia.

It is a place on enough land to be a regional church. A church with attractive, efficient facilities for worship, Christian education, a Christian school, youth center, counseling center and elder care.

Although this vision is beyond our ability and resources, it is well within the ability of the One who has revealed it to us.
